

Spahhh! February Events and Specials

During the month of February, you could win a gift certificate of four (4) treatments in our Spahhh! SoftHeat Sauna just by visiting us and signing up for our new e-mail newsletter.

And speaking of welcome additions, a well-respected Zen Shiatsu practitioner will be joining Spahhh! Zen Shiatsu is a Japanese healing treatment based on ancient Japanese practices and Chinese medicine. It is a unique and dynamic form of body therapy used to restore the body's natural energy.

Having just returned from what Mary refers to as "Heaven on Earth", it seems only fitting that Spahhh! incorporates a bit of Island Energy into our Valentine's Day celebrations.
